

Rohit Bora

React Front-End Developer

A-31, Street No.15 Mandawali Delhi -110092 | Tel:+919958517249 | rohitbora14310@gmail.com

PROFESSIONAL EXPERIENCE:

FRONTEND DEVELOPMENT INTERN | AICTE OASIS INFOBYTE | JAN 2025 - 15-FEB 2025.

- Gained practical experience in developing and enhancing web applications using ReactJS, JavaScript, HTML, and CSS.
 - Collaborated with team members to implement responsive and user-friendly interfaces.
 - Strengthened understanding of frontend development best practices and debugging techniques.
 - Demonstrated problem-solving skills and the ability to meet deadlines effectively.
-

PROJECTS:

MOVIE & TV SHOW WEB APPLICATION:

[VIEW](#)

Designed and developed a highly interactive and responsive web application using **React JS**, **Redux Toolkit**, and **React Router** for efficient state management and seamless navigation. Key accomplishments include:

- **Dynamic Filters:** Dropdown to categorize content by Movies, TV Shows, or All.
- **Trailer Playback & Recommendations:** Integrated trailers and a recommendation system for similar content.
- **Multi-Page UI:** Built pages for Home, Trending, Movies, TV Shows, and Popular content
- **Efficient State Management:** Utilized `useState`, `useEffect`, and props drilling for smooth data handling.

BUSINESS MANAGEMENT DASHBOARD:

[VIEW](#)

Designed and developed a comprehensive, responsive web application using React to facilitate efficient business operations through an intuitive dashboard interface. Key accomplishments include:

- **Seamless Navigation:** Implemented **React Router** for smooth routing across multiple pages, including Overview, Products, Users, Sales, Orders, Analytics, and Settings.
 - **Sidebar** for easy access and **responsive design** for all devices.
 - **Modern UI** with gradient and blur effects for enhanced aesthetics.
 - Utilized **functional components** and **JSX** for clean, scalable code.
-
